Thank you Chris!

I'm assuming since you will be out that hand off will be done with Bret? We will make sure to reach out to him and coordinate for Monday at 1000.

Thanks again for all your work on this and I hope American Samoa goes smooth!

See you when you get back, safe travels!

All - I will be on travel Oct 3-11. While I'm gone, Bret Moxley will be EPA's point of contact for any issues related to the Spirit of Sacramento.

His email is above, and his cell number is 415-971-7720.
